TEENAGE YEARS OFFICIALLY EXPIRE.

Suhani has officially left the chat of her teen years. Sources close to her report she still feels 16, but her ID card now demands she act like an adult. We wish her luck.

CAFFEINE DEPENDENCY AT ALL-TIME HIGH. Local cafes report a sudden surge in cold coffee orders. "We can barely keep up with her iced latte demands," said one barista.

WARDROBE CRISIS CONTINUES. Despite owning a closet full of clothes, Suhani was reportedly heard saying, "I have absolutely nothing to wear." The mystery remains unsolved.

Letters for You

A Letter For You

Happy 20th Birthday, Humari Suhani ❤️🎂

Aaj pata nahi kyun ye letter likhte waqt thoda emotional sa feel ho raha hai... shayad isliye kyunki meri Kiddo aaj officially 20 ki ho gayi hai. 🥺❤️ Sach bolu toh kabhi-kabhi sochta hoon ki time itni jaldi kaise nikal gaya. Aisa lagta hai jaise kal hi ki baat ho aur aaj hum tere 20th birthday par khade hain.

20 saal ho gaye madam ko duniya mein aaye hue, lekin harkatein dekh ke kabhi-kabhi lagta hai age abhi bhi wahi chhoti si butki wali hai. 😂 Aur ab 20 ki ho gayi ho toh please thodi maturity bhi dikha dena... although mujhe pata hai uski zyada umeed rakhna bekaar hai. 😭😂

Tu genuinely un logon mein se hai jo life mein aate hain aur pata hi nahi chalta ki kab itne important ban gaye. Tere saath kitni saari random baatein, hasi-mazaak, fights, gussa, nakhre, late-night talks aur stupid moments hain ki agar sab likhne baithun toh shayad ye book khatam ho jayegi, par memories nahi. ❤️

Aur tera gussa... uska toh alag hi chapter hona chahiye. 😂 Kabhi-kabhi aisa lagta hai ki madam ne 24/7 anger mode permanently ON kar rakha hai, aur phir thodi der baad khud hi normal bhi ho jaati ho. 😭😂 Honestly, funny bhi lagta hai aur cute bhi. Bas thoda kam gussa kiya kar, baaki sab badhiya hai.

Aur ek aur cheez jo mujhe kabhi samajh nahi aayegi—'bas 2 minute mein ready ho jaungi.' 😂 Suhani ke 2 minute ka actual meaning ab sabko pata hai... minimum 45 minutes. 🙌😭 Please 20 saal ki age mein is aadat ko thoda update kar lena.

A Letter For You (Continued)

But in sab masti ke beech ek cheez jo main genuinely maanta hoon, woh ye hai ki tu dil se bahut sweet hai. Upar se attitude, gussa, nakhre aur drama jitna marzi ho, but heart se tu bahut caring hai. Aur shayad isi wajah se tere saath rehna itna easy lagta hai.

Mujhe sabse zyada achha ye lagta hai ki tere saath mujhe kuch pretend nahi karna padta. Main jaisa hoon waisa reh sakta hoon. Hum bina kisi reason ke has sakte hain, stupid si baaton par lad sakte hain, ek dusre ko irritate kar sakte hain aur phir kuch time baad aise baat karte hain jaise kuch hua hi nahi. 😂❤️

Aur pata hai, teri ek chhoti si cheez mujhe bahut achhi lagti hai—jab tu mujhe 'Ansh' bolti hai. Pata nahi kyun, but tere muh se mera naam sunna hamesha thoda different feel hota hai. ❤️

Kab tu meri life ka itna important part ban gayi, honestly pata hi nahi chala. Ab teri calls, messages, random baatein, tera gussa, tera 'kuch nahi hua' wala kuch hua hota hai, aur tere random nakhre... in sab ki aadat si ho gayi hai. Kabhi-kabhi tu mujhe bahut pareshan karti hai, but phir agar tu baat na kare toh woh bhi ajeeb sa lagta hai. 😂❤️

Aur ye one year... pata nahi kaise nikal gaya. Is ek saal mein humne kitni chhoti-badi memories bana li hain. Har moment perfect nahi tha, obviously nahi ho sakta, hum dono ne ek dusre ko irritate bhi kiya hai, gussa bhi kiya hai, unnecessary arguments bhi hue hain... but shayad relationship ki beauty bhi isi mein hai. Har cheez perfect hone ki zarurat nahi hoti. Bas saamne wala important hona chahiye.

Aur tu mere liye important hai. Bahut zyada.

A Letter For You (Continued)

Kabhi-kabhi main sochta hoon life mein kitne log milte hain, kitne log chale jaate hain, but kuch log aise hote hain jo pata nahi kab life ka ek permanent sa part ban jaate hain. Tu mere liye exactly waisi hi hai.

Main nahi jaanta future mein life humein kahan le jayegi, kya-kya change hoga, hum kitne busy honge, kitni cheezein badlegi... but main genuinely ye chahta hoon ki chahe kuch bhi ho, tere face ki smile kabhi kam na ho. Aur jitna possible ho, apan hamesha saath rahein.

Tu jo bhi banna chahti hai, jo bhi achieve karna chahti hai, please karna. Kabhi khud par doubt ho toh thoda sa mujh par kar lena. Main tujhe yaad dila dunga ki tu kitni capable hai.

Main chahta hoon tera ye 20th year sirf birthday celebrate karne tak limited na rahe. Main chahta hoon tu naye experiences kare, naye places dekhe, bohot saari memories banaye, apne dreams ke close jaaye, khud par aur believe kare aur sabse important—khush rahe.

Aur jab life achhi ho, tab mere saath celebrate karna.

Aur jab life achhi na ho, tab mere paas aa jaana.

A Letter For You (Continued)

Tere saath baithne, tujhe sunne aur tere stupid problems ko unnecessarily seriously lena ke liye main hamesha ready rahunga. 😂❤️

I know main perfect nahi hoon. Kabhi stupid behave karta hoon, kabhi tujhe unnecessarily irritate karta hoon, kabhi woh nahi bol pata jo mujhe bolna chahiye. But ek cheez main chahta hoon ki tu hamesha yaad rakhe—

You matter to me. A lot.

Tere saath jo normal moments hote hain na, woh bhi mere liye special hote hain. Chahe hum kuch special kar rahe ho ya bas random si baat kar rahe ho, somehow woh moments yaad reh jaate hain.

Aur agar kabhi future mein hum ye birthday book wapas kholkar ye letter padhein, toh I hope hum dono ek dusre ko dekhein, smile karein aur bolein—

'Yaar, hum kitne cute aur stupid the.' 😂❤️

A Letter For You (Continued)

So meri Kiddo, welcome to 20. 🥺❤️

Ab officially badi ho gayi ho, but please zyada mature mat hona. Mujhe meri wahi cute, sundar, thodi pagal, thodi annoying, thodi gusse wali aur bahut zyada lovable Kiddo chahiye. 😂❤️

Bas aaj ke din main itna hi kehna chahta hoon—

Thank you for coming into my life.

Thank you for being you.

Thank you meri itni saari bakwaas tolerate karne ke liye.

A Letter For You (Continued)

Thank you mujhe itna irritate karne ke liye ki ab bina irritate hue din incomplete lagta hai.

Aur thank you mujhe ye feeling dene ke liye ki life mein koi hai jiske saath main apni khushi bhi share karna chahta hoon aur apni problems bhi.

I hope tera ye naya year tujhe woh sab de jo tu deserve karti hai—happiness, peace, success, beautiful memories, achhe log, crazy trips, bohot saari hasi, thoda kam gussa... aur haan, bohot saara paisa bhi, kyunki emotional happiness apni jagah hai but shopping bhi toh zaroori hai. 🤔💸

Aur ek last baat...

Chahe tu kitni bhi badi ho jaaye, chahe 20 ki ho, 30 ki ho ya 50 ki...

mere liye tu hamesha meri Kiddo hi rahegi. ❤️

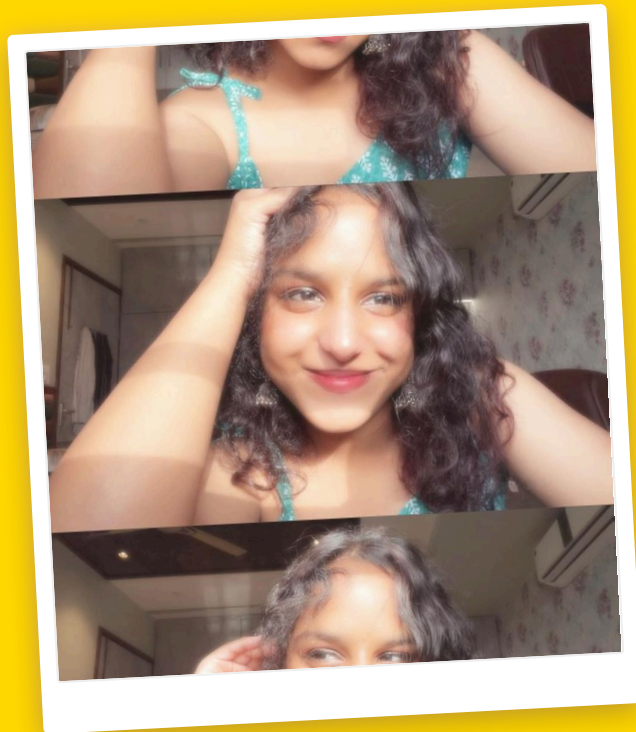

A Letter For You (Continued)

Happy 20th Birthday, Suhani. 🎂❤️

We love you.

Happy 20th Birthday, Kiddo ❤️

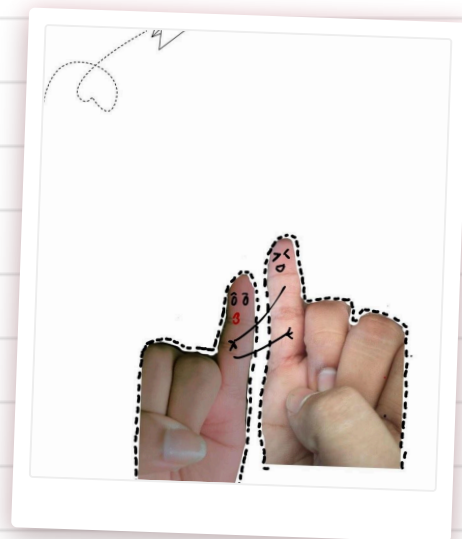

Dear Suhani (Kiddo),

Aaj pata nahi kyun ye likhte waqt thoda emotional sa feel ho raha hai... shayad isliye kyunki meri Kiddo aaj officially 20 ki ho gayi hai. 🥹

Aisa lagta hai jaise kal hi ki baat ho aur aaj hum yahan hain, tere 20th birthday par.

Main honestly koi perfect birthday message nahi likh sakta, kyunki jo feel karta hoon woh words mein properly explain karna thoda mushkil hai. lekin phir bhi try kar raha hoon, kyunki tu mere liye itni special hai ki tere birthday par bas ek normal sa "Happy Birthday" bolke kaam nahi chal sakta.

Suhani, tum meri life mein sirf ek person nahi hao. Tum meri life ka woh part hai jiske bina ab bahut saari cheezein incomplete si lagti hain. Tumhari calls, tumhare messages, tumhari random baatein, tumhara gussa, tumhare nakhre, kabhi-kabhi toh tum khud bhi nahi jaanti ki tum mujhe kitna pareshan karti ho 😂 ohh sorry mein kitna pareshan krta hu 😂😂

From Ansh (Continued)

But somehow, in sab cheezon ke bina bhi kuch missing sa lagta hai.

Mujhe sabse zyada acha ye lagta hai ki tumhare saath mujhe kuch pretend nahi karna padta. Main jaisa hoon waisa reh sakta hoon. Hum stupid si baaton par has sakte hain, bina kisi reason ke lad sakte hain, ek dusre ko irritate kar sakte hain aur phir thodi der baad aise baat karte hain jaise kuch hua hi nahi. 😂❤️

Aur pata hai, teri ek chhoti si cheez mujhe bahut achi lagti hai jab tu mujhe “Ansh” bolti hai. Pata nahi kyun, but tere muh se mera naam sunna hamesha thoda different feel hota hai. ❤️

Aur haan, tu 20 ki ho gayi hai, lekin mere liye tu abhi bhi meri Kiddo hi hai. Ye title lifetime ke liye reserved hai, sorry. 😂

Kabhi-kabhi main sochta hoon ki life mein kitne log milte hain, kitne log chale jaate hain, but kuch log aise hote hain jo pata nahi kab life ka important part ban jaate hain. Tu mere liye exactly waisi hi hai.

Main nahi jaanta future mein life humein kahan le jayegi, kya-kya change hoga, ya hum kitne busy ho jayenge. But ek cheez jo main genuinely chahta hoon, woh ye hai ki chahe kuch bhi ho, tere face ki smile kabhi kam na ho or apn humesha sath rahe .

From Ansh (Continued)

Tu jo bhi banna chahti hai, jo bhi achieve karna chahti hai, karna. Kabhi khud par doubt ho toh thoda sa mujh par kar lena, main tujhe yaad dila dunga ki tu kitni capable hai. ❤️

Aur jab life achi na ho, tab mere paas aa jaana.

tere saath baithne aur tujhe sunne ke liye main hamesha ready rahunga. ❤️

I know main perfect nahi hoon. Kabhi stupid behave karta hoon, kabhi tujhe unnecessarily irritate karta hoon, kabhi shayad woh nahi bol pata jo mujhe bolna chahiye. But one thing I hope you always know you matter to me. A lot.

Tere saath jo time spend karta hoon na, woh mere liye genuinely special hai. Chahe hum kuch special kar rahe ho ya bas normal si baat kar rahe ho, somehow woh moments yaad reh jaate hain.

Aur agar kabhi future mein hum is birthday book ko wapas kholkar ye message padhein, toh I hope hum dono smile karein aur bolein ...

Ab thodi badi ho gayi ho but please zyada mature mat hona. Mujhe meri wahi kuchu-puchu, cute, sunder aur lovable Kiddo chahiye.

Bas aaj ke din main itna hi kehna chahta hoon

Thank you for coming into my life.

Thank you for being you.

Happy Birthday to my little Suhaniiii!

You came into my life as my junior but somewhere along the way you became so much more than that - my little sister, my comfort person and someone who is genuinely very close to my heart.

College ki itni saari memories mein tumhara ek special place hai and I'm honestly so grateful that I got a junior like you who turned into family.

Bas hamesha aise hi khush rehna aur life mein jo bhi chaaho woh sab tumhe mile.

College khatam ho jayega, paths alag alag ho jayenge, but I really hope our bond stays exactly the same. You'll always be my little sister, no matter what.

Happy Birthday once again, meri Suhaniiii!

Happiesttt Birthdayyyy meri pyaari pagal ladkiil!

Pata nahi kahan se start karu because tere liye bolne ko actually bohot kuch hai.

Kab tu bas ek friend se meri life ka itna important part ban gayi, honestly pata hi nahi chala. But I'm genuinely so so grateful ki tu meri life mein hai.

Humari random baatein, bina matlab ki gossip, ek dusre ko judge karna, faltu cheezon pe hasna, serious conversations ke beech mein bhi bakchodi start kar dena, ek dusre ke mood swings jhelna... literally everything is so special to me.

Tere saath normal se normal moment bhi somehow memory ban jaata hai.

Thank you meri har bakwaas sunne ke liye, mere unnecessary overthinking sessions tolerate karne ke liye, mujhe advice dene ke liye jo main obviously pehli baar mein sunti nahi hu aur phir kuch din baad tere paas aake bolti hu 'haan bhai tu sahi keh rahi thi.'

From Kashish (Continued)

Tune mera almost har version dekha hai - khush, sad, irritated, confused, emotional, overexcited, overthinking wala aur full pagal wala - and surprisingly tu abhi tak bhaagi nahi hai.

Iske liye tujhe alag se award milna chahiye.

But jokes apart, tu genuinely mere liye bohot special hai.

Main shayad har baar bolti nahi hu, but I really appreciate you and everything you do.

Kuch logon ke saamne humein explain ya pretend karne ki zarurat nahi padti, hum bas jaise hain waise reh sakte hain... and tu mere liye unhi logon mein se ek hai.

I really wish ki tera ye new year of life bohottttt amazing ho.

From Kashish (Continued)

Jo bhi cheezein tu secretly chahti hai, jo goals tune apne liye rakhe hain, jo dreams hain tere - I hope sab slowly slowly reality bane.

Tu life mein bohot aage jaaye, successful ho, khush rahe aur sabse important, mentally peaceful rahe.

Aur jab bhi life thodi difficult lage na, bas ye yaad rakhna ki tu jitna khud ko samajhti hai usse kahin zyada strong hai.

Aur tere aas paas aise log hain jo genuinely teri care karte hain... including me, unfortunately.

I hope tujhe life mein woh saari happiness mile jo tu deserve karti hai, ache log mile, bohot saari trips ho, crazy memories bane, love mile, success mile aur obviously BOHOT SAARA PAISA mile because emotional happiness apni jagah hai but shopping bhi toh zaroori hai bhai.

Once again, Happiesttttt Birthdayyyyyy!!!

From Kashish (Continued)

I genuinely hope ye birthday tere life ke sabse beautiful years mein se ek ki starting ho.

Love you.
